

GELIKO Kosher Gelatine in Pharmaceutical Applications

The Benefits of GELIKO Kosher Gelatine for Your Products

	Technological properties of the corresponding Geliko Gelatine	Product Advantages
Hard and soft capsules	Taste and odor neutrality, oxygen barriers	Low allergenic potential, good bioavailability of active substances due to rapid dissolution of the capsule
Vitamin embedding	Oxygen barriers, structural binding	Shelf-life, good release of active substances, easy dosing
Gelatine sponges	Foam formation, foam stabilization	Good compatibility, natural blood staunching, complete resorption
Blood substitutes	High purity	Prevention of hypovolemic shock, controlled degradation in the body, no accumulation in specific organs

All Geliko gelatins are certified kosher pareve for Passover and year round use by the Orthodox Union.
